Subject: Status of Permit Transfer, Reclamation Surety Required, Kay Jean Mathews, Red Warrior Limestone Mine, S/053/0012, Washington County, Utah

Dear Ms. Mathews:

On October 12, 2012, the Division of Oil, Gas and Mining received a request to transfer the Red Warrior Limestone Mine from Red Warrior Rock, Inc., to Kay Jean Mathews. To complete this transfer, you were required to provide a replacement surety and sign a reclamation contract. To date the Division has not received the replacement surety or contract.

The Division requests that you provide the replacement surety of \$18,000 and a new reclamation contract by January 31, 2013. This will complete the transfer requirements so the Division can approve the transfer. Failure to provide adequate replacement surety may result in the Division denying the transfer.

The reclamation surety can be submitted in one of several forms, including, an irrevocable letter of credit, a certificate of deposit, cash or a surety bond. Please contact Penny Berry at 801-538-5291 or by e mail at pennyberry@utah.gov for assistance in completing this requirement.

If you no longer desire to make the transfer, please inform us so we can close this pending action. Your cooperation in this matter is greatly appreciated. Please contact me at 801-538-5261 or Lynn Kunzler at 801-538-5310 if you have any questions regarding this letter. In reply please refer to file number S/053/0012.

Sincerely,

Paul B. Baker
Minerals Program Manager
